

International Conference on Emerging Trends and Applications in Statistics and Data Science (ICETASD-2026)

CALL FOR ABSTRACTS

Submit your research for presentation and publication.

About the Conference

ICETASD-2026 aims to bring together researchers, academicians, professionals, & students to share recent advances, innovative ideas, and practical applications in Statistics & Data Science. The conference will provide a platform for interdisciplinary collaboration and academic exchange. Selected full papers may be considered for publication in journals following peer review.

Conference Area

- Statistics in Modern Data Science and AI
- Statistical Learning to Machine Learning
- Statistical Modeling of Environmental Risks
- Applications in Climate Change & Sustainability
- Innovations in Health Analytics
- Emerging Computational Bayesian Methods
- Public Health and Biostatistics
- New Methodologies and Recent Progress
- GenAI: Opportunities and Challenges
- Statistical Approaches to Risk Management
- Tasks of Gen AI and Big Data Challenges

Important Dates

Last Date of Abstract Submission: **5 August, 2026**

Acceptance Notification: **10 August, 2026**

Early Bird: **20 August, 2026**

Conference Day: **20-21 September, 2026**

Registration Fees

Category	Early Bird
Nepali Students	NRS 2000
Nepali Faculty / Researchers	NRS 3000
Nepali Institutional Participants	NRS 10000
Participants from South Asia	US\$ 80
Foreign Participants	US\$ 200

For other fee structure visit our website

Beyond the Conference

Opportunity to explore the natural beauty and cultural richness of Nepal beyond academic activities.
